Mail Bid Sail

***Closing Date for Bids is Midnight
November 16, 2009***

Welcome to SANDICAL's first Mail Bid Sale since the mid-1970's. As a non-profit organization, our purpose in conducting this Sale is to raise funds to offset expenses of SANDICAL 2010 scheduled for 15, 16, and 17 January 2010. We hope that you will enjoy reviewing our more than 200 lots and will bid both enthusiastically and generously. Bids can be submitted by email or mail, but must be received no later than midnight of the 16th of November. Invoices will be emailed or mailed by November 22nd, with payment due 7 days after receipt. There is no Buyer's Fee on items won. Other conditions of this Sale are:

- Bids must be placed within the bidding steps below. Those not-conforming will be rounded up to the next bidding increment;
- Prices indicated in the right hand column at the end of the Lot description are starting bids. Bids received that are lower than that amount cannot be accepted;
- Winning bids will be considered a contract obligation between buyer and SANDICAL, and buyer agrees to pay for the lots within 7 days notification of winning bid. If the buyer defaults in payment, SANDICAL retains ownership of the lot and may re-offer said lot to the bidder offering the next higher bid;
- Lots are secured/won at the amount bid, not at one step above the next highest bidder as is the case in other auctions. In a tie, preference goes to the earlier bidder, judged by postmark or time of email. Bids specifying conditions will not be accepted;
- 15% of the winning bid will be retained by the SANDICAL Show and 85% paid to the seller (except for donated lots in which case 100% will be paid to SANDICAL);
- While there is no Buyer's Fee, postage/shipping, registration, certification, and/or any desired insurance cost are additive to the winning bid and are to be paid by the buyer. Bidders are asked to make known any special posting conditions with associated additional cost to be paid by the buyer;

- Buyers are subject to California sales tax, if applicable to the buyer, levied on the winning bid;
- Expertising will be the responsibility of the buyer with all costs born by the buyer. In the event a lot is found not to be genuine or in a condition other than described, it may be returned, if in the same condition as received, for a refund of the lot's cost. No refund of the expertising cost will be provided;
- With the exception of mixed lots, refunds will be made within seven days for lots misdescribed as to fact or condition. Mixed lots are sold as is and refunds will not be provided;
- Illustrations for some, but not all lots, are provided. Scans of other materials (with the exception of mixed lots) can be provided if email address is made available;
- All bids must be received no later than midnight of 16 November 2009. Bids received after that time will be rejected;
- Bidding increments are as follows:

| <u>Bid Range</u> | <u>Increment</u> |
|-------------------------|------------------|
| ○ \$15.00 - \$ 25.00 | \$0.50 |
| ○ \$25.01 - \$100.00 | \$1.00 |
| ○ Greater than \$100.01 | \$5.00 |

- The auctioneer retains the right to withdraw any lot prior to sale, to re-offer any withdrawn lot, or to refuse any bid not made in good faith. Should a dispute arise between bidders, the auctioneer alone will determine who is the successful bidder, or whether to reoffer the lot in dispute;
- Payment shall be made within 7 days of receiving invoice or email notification of amount owed for lot(s) won. Directions for payment will be included in the invoice or payment due notification. Payment can be made by check drawn on U.S. bank only;
- The SANDICAL Stamp Expo 2010, SANDICAL Inc., the auctioneer, and agents merely function in this Sale as agents between the seller and the buyer, bidders, and other interested parties, and therefore bear no liability for the contents of this Mail Bid Sale, nor actions arising therefrom;
- By bidding on this Sale, bidders are indicating their agreement with and acceptance of the foregoing terms;
